

## FINANCE YOUR TRAINING WITH TUITION OPTIONS

Boston Reed (BR) offers the **Tuition Options** payment plan for students of Adult School and Community College students. Students have the option to finance their training by applying for an extended payment plan through Tuition Options.

**No credit requirements!** Everyone qualifies. Tuition Options is an experienced financing operator providing services for over 30 years. The company currently provides payment solutions to more than 500 institutions and manages over 35,000 accounts. The financing program requires a deposit to enroll in a program and the balance is paid in monthly payments (deposit amount varies by location).
